

Yan Oi Tong Allan Yap Kindergarten

K1 classes adaptation period

(17-07-01a)

Dear parents,

K1 students will start the school day on 28th August (Mon). As K1 students are still young so they need slightly more time to adapt to a new environment and so we have organized a **adaptation period** for K1 students to attend kindergarten between 28th August to 15th September. During this time we will help your children easier to adapt to the new environment. Parents please follow the timetable correspondingly and punctually to bring your children to school on time.

* Timetable for the adaptation period *
